

PRODUCT CATALOGUE 2025

Become a sustainable organisation with our **100% recycled** paper products!

Rescript is a sustainable stationery brand offering 100% recycled, eco-friendly products with minimalist designs and earthy tones. Our range includes copier paper, notebooks, planners, and more—designed for individuals and businesses without compromising quality or sustainability. Rooted in environmental responsibility, we align with four UN Sustainable Development Goals, **using 77% less energy, 50% less water, and emitting 37% less carbon** compared to traditional production methods.

The Inconvenient Reality Of Traditional Paper

15% of global deforestation is caused by the paper industry

18 chemicals are used to whiten virgin paper

21% of greenhouse gases come from pulp and paper mills

10 litres of water are needed for a single A4 sheet

Our Impact in Numbers

We wanted to address the problems of virgin paper production head-on & leverage the abundance of global paper waste in India. Here's our real world impact so far:

9,200 Trees saved till date

18.4 Million Litres of water saved

4,31,480 Kgs of CO2 emissions prevented

Still Not Convinced?

One ream of our recycled A4 copier paper saves nearly **4.6 kilos of wood, 68 litres of water, and 2 Kgs of CO2!**

Rescript your carbon footprint & contribute to **4 Sustainable Development Goals (SDGs)** defined by the UN!

Join us on our mission to **save 30,000 trees and conserve 6 crore (60 million) litres of water by 2025!**
